The Women's Ministry at Park Community Church exists to encourage and equip women to know, love, and serve Jesus and others in the power of the Holy Spirit. We want to honor God's words in Titus 2:3-5, which instructs women to teach other women, encourage one another, and train up young women to be strong in the faith. Our ministry programs and events seek to teach women biblical principles and doctrines in all areas of their lives, including lifestyles, behaviors, relationships, marriages, parenting, and personal priorities. There's a place in our ministry for all women in our church and we welcome your participation, your suggestions, and your partnership with us.
